Book & Artistry Club

Motto - “*Read, Write, Express*”

Introduction:

A Literary Club is a platform where students come together to share their interests in reading and writing. It is designed for students who are passionate about literature and eager to exchange their ideas, experiences, and literary works with others who share similar interests and talents. The club encourages collaboration and interaction among students, rather than pursuing reading and writing individually at home. Therefore, the Literary Club was established to enhance the speaking, writing, and creative skills of students.

Vision

The club aims to inspire students to express their thoughts and ideas freely through reading, writing, speaking, and various literary activities. It encourages students to become confident speakers, thoughtful readers, and creative writers while promoting teamwork, leadership, and critical thinking. The Literary Club also strives to develop students’ overall personality and help them appreciate the value of literature, culture, and self-expression in everyday life.

Objective:

1. To develop effective communication and spontaneous speaking skills among students.
2. To promote the appreciation of languages and literature.
