

ICI Technical Club

Christ College, Umeit

Ri-Bhoi, Meghalaya-793116

Motto

“Innovate, Create, Inspire”

Brief Profile

The **ICI Technical Club** of Christ College, Umeit was established on **20 May 2026** as an academic and co-curricular initiative to promote technical awareness, digital literacy, innovation, creativity, and practical learning among students.

The club provides a dynamic platform for students to explore technology beyond classroom learning through workshops, seminars, competitions, collaborative projects, training programmes, and various skill-development activities. It seeks to nurture creativity, critical thinking, problem-solving abilities, teamwork, leadership qualities, and technological competence among students, thereby preparing them to face academic, professional, and social challenges in an increasingly technology-driven world.

Vision

To create a technologically aware and innovative student community that contributes positively to society through creativity, knowledge, and responsible use of technology.

Mission

1. To encourage students to explore modern technology and digital tools.
2. To provide opportunities for practical learning and innovation.
3. To promote collaboration, creativity, and leadership among students.
4. To organize technical activities that enhance knowledge and skills.
5. To bridge the gap between theoretical learning and practical application.

Objectives

1. To develop technical and digital skills among students.
2. To encourage innovation, creativity, and problem-solving abilities.
3. To organize workshops, seminars, competitions, and awareness programmes.
4. To assist students in gaining practical knowledge relevant to academics and careers.
5. To encourage responsible and ethical use of technology.

Activities

The Technical Club organizes the following activities:

- Basic Computer Training
- Coding and Programming Workshops
- Graphic Designing and Video Editing Sessions
- Artificial Intelligence Awareness Programmes
- Photography and Digital Media Workshops
- Cyber Safety and Digital Literacy Campaigns
- Seminar on Emerging Technologies
