CHRIST COLLEGE NSS UNIT

NATIONAL SERVICE SCHEME

Motto: ` Not Me But You`

The National Service Scheme (NSS) aims to develop students into responsible, socially conscious and active citizens by encouraging their participation in community service and nation-building activities. It provides opportunities for students to understand the needs and challenges of their communities and contribute towards addressing them. Through various programmes and activities, NSS seeks to develop leadership qualities, practical skills, social responsibility and a spirit of voluntary service. It also promotes social harmony, national integration and preparedness to respond to emergencies and natural disasters. Ultimately, NSS strives to foster the holistic development of students and transform them into responsible individuals committed to the welfare of society.

Objectives: The main objectives of National Service Scheme are:

To Kindle the student's social consciousness.

To give them opportunities.

To make them work and understand their own community.

To develop awareness and awareness of social realities.

To identify the problems of the community and to solve those problems.

To help themselves gain skills build their leadership qualities, a sense of social responsibilities.

To help them gain skills in the programme of development for self - involvement.

To help them in gaining practical skills during emergencies and natural disasters.

To make them understand and practice social harmony and contribute to National Integration.

To make themselves transform into an enrich personality.
